Secretary of State

Ballots mailed out by **October 21**

1 (800) 448-4881 | sos.wa.gov

On behalf of the Office of the Secretary of State, thank you for participating in our democratic process. I am pleased to present the 2022 General Election Voters’ Pamphlet to help you make informed decisions as you exercise your right to vote. This guide includes information about voting, and the candidates and measures that appear on your ballot.

Before you can participate, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 31, and we encourage you to review your registration information today at **VoteWA.gov**. After Oct. 31, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 8, to register to vote or update your registration and receive a ballot.

After you have voted your ballot, be sure to sign the return envelope. Your signature is important because election officials check that your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage needed — remember that ballots must be postmarked by Nov. 8 in order to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Check **VoteWA.gov** to locate a ballot drop box or see the status of your ballot.

By voting, you are making your voice heard.

Sincerely,

Trova O’Heffernan
Assistant Secretary of State

Future # Voter

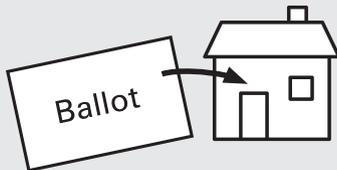

Sign up online at VoteWA.gov with your Washington state driver's license, permit or ID. Or, you can fill out a paper registration form using the last four digits of your Social Security number and mail it in. You'll be automatically registered to vote when you qualify.

Every January on Temperance and Good Citizenship Day, high school students 16 and older have the opportunity to complete a voter registration form in class.

How do I vote and return my ballot?

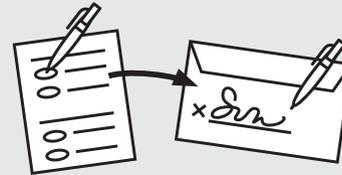

1

If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed by **October 21** to the address you provide on your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

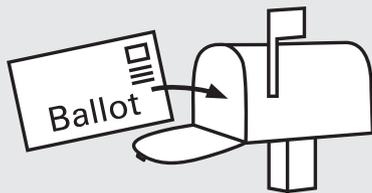

2

Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

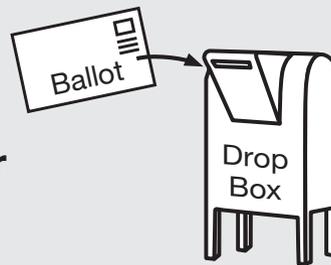

3

Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 8**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 8**. Find drop box locations at **VoteWA.gov**.

Or

If you cannot personally return your ballot, let only people you trust deliver it for you.

4

Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

View election results online

After 8 p.m. on election night, tallied results from each county are posted at **results.vote.wa.gov**.

Results are updated as counties report and unofficial until certification.

Your district may have changed

Every 10 years, following the U.S. Census, legislative and congressional district boundaries are redrawn in a process called redistricting.

Redistricting ensures that each district has about the same number of people, which means equal representation in government.

As a result of redistricting, you may have been assigned to a new legislative or congressional district.

If you have changed districts, you will vote on different legislative or congressional races, beginning this year.

For more information about new district boundaries or the redistricting process, visit www.redistricting.wa.gov.

How do I know if something is true?

When reviewing online or printed information, think about:

- Who made this, and who is it for?
- Why did they make it?
- When was this made?
- What makes it believable?
- How might other people read this message?
- Ask the experts — consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

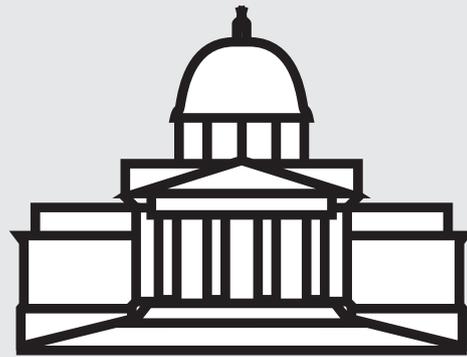

i Advisory votes are the result of Initiative 960, approved by voters in 2007. The Office of the Secretary of State publishes the Attorney General's advisory vote description according to RCW 29A.72.283.

You are advising the Legislature if you do or do not favor a tax increase passed during the recent legislative session.

Repeal — means you **don't favor** the tax increase.

Maintain — means you **favor** the tax increase.

**Advisory votes are non-binding.
The results will not change the law.**

40

Engrossed Substitute House Bill 2076

The legislature imposed, without a vote of the people, premiums on “transportation network companies” to provide workers compensation to their drivers, costing an indeterminate amount in its first ten years, for government spending.

This tax increase should be:

- Repealed
- Maintained

Ten-Year Projection

Provided by the Office of Financial Management
For more information visit www.ofm.wa.gov/ballot

| Engrossed Substitute House Bill 2076 (ESHB 2076) |
|---|
| Narrative Explanation (required for Indeterminate Cash Receipts) |
| <p>Section 1 requires transportation network companies (TNCs) to remit \$0.15 of every passenger fare quarterly to the newly created Driver Resource Center Fund beginning July 1, 2024. How much is collected will change each January 1 because remittance will be adjusted each year based on inflation. In addition, the Department of Labor & Industries has no way to predict how many passenger fares will be remitted or how many TNCs will be subject to interest and penalties due to failing to remit payments by the deadlines. For these reasons, fiscal impact associated with section 1 is indeterminate.</p> <p>Section 11 of the bill directs L&I to assess premiums for TNC drivers only for hours while the driver is engaged in passenger platform time and dispatch platform time effective January 1, 2023. These premiums would be used for potential future claims and would be deposited in the Accident and Medical Aid Accounts. L&I anticipates that there would be additional claims filed by these workers and L&I would receive additional premiums for this coverage. However, there is not sufficient data on these workers to determine the volume of additional claims or the level of additional premiums. This section of the bill is indeterminate.</p> |

Federal Qualifications & Responsibilities

Except for the President and Vice President, all federal officials elected in Washington must be residents of the state. Only federal offices have age requirements above and beyond being a registered voter.

Congress

The United States' Senate and House of Representatives have equal responsibility for declaring war, maintaining the armed forces, assessing taxes, borrowing money, minting currency, regulating commerce, and making all laws and budgets necessary for the operation of government.

United States Senator

Senators must be at least 30 years old and citizens of the U.S. for at least nine years. Senators serve six-year terms. The Senate has 100 members; two from each state.

The Senate has several exclusive powers, including consenting to treaties, confirming federal appointments made by the President, and trying federal officials impeached by the House of Representatives.

United States Representative

Representatives must be at least 25 years old and citizens of the U.S. for at least seven years. Representatives are not required to be registered voters of their district, but must reside in the state. Representatives serve two-year terms.

The House of Representatives has 435 members, all of whom are up for election in even-numbered years. Each state has a different number of members based on population. After the 2010 Census, Washington was given a 10th Congressional District.

Statement

These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, make COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers' rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families' costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

Statement

Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

At Walter Reed, Tiffany had to stand up to the federal government and fight for Scotty, his dreams and the care he had earned. For Tiffany, her experience with the military bureaucracy highlighted the challenges facing many service members and their families. Tiffany became their voice, going to Capitol Hill and meeting with anyone who would listen to her. She built coalitions with members from both sides of the aisle which ultimately resulted in real reform of the VA to help the catastrophically injured and their caregivers.

Drawing on her experiences as a veteran's advocate, Tiffany will build coalitions and work for policies that improve public safety and protect Washington families, combat spiraling gas prices and the inflation that's hurting the middle class and address the homeless crisis plaguing our communities. Tiffany will be a strong supporter of our men and women in law enforcement whose sacrifices keep our streets safe and allow Washington communities to thrive. As the mother of three school-age boys, Tiffany will invest in our schools to provide every child with a brighter future. Tiffany has earned the endorsement of the Washington State Republican Party. From a small farm in Eastern Washington to the nation's capital, Tiffany will be a voice for all of Washington.

Community Service

Statement

Our Representatives are completely out of touch with those of us struggling to keep up with the rising costs of food, gas, housing and prescription drugs. As co-owner of an auto repair and machine shop, I know how tough it's been to navigate this economy. Like so many working Washingtonians, we do our best to stay ahead of bills; but because we cannot afford quality child care for our son, we take him to work with us.

Special interests and party bosses have too much power in Washington and are failing to solve our biggest challenges. I'm running to take on politicians who are bought and paid for by large corporations who refuse to pay their fair share while working families who follow the rules fall further behind. I'm not taking a dime of Corporate PAC money and will put people over profits. I like to get my hands dirty fixing things, not working the system.

I'm proud to have created many family wage jobs with my business. As our business has grown, like many employers, we struggle to find workers with the skills they need to succeed. In Congress, I'll make expanding career and technical education a priority, to empower more Washingtonians to obtain family wage jobs they can be proud of.

Finally, I'll stand up to politicians who try to tell women what they can and cannot do with their own body. We cannot assume our rights will be protected here in Washington State any longer. It is up to all of us to fight to protect reproductive freedom.

Endorsements:

Senator Maria Cantwell, Congresswoman Suzan DelBene, Washington State Labor Council, Lands Commissioner Hilary Franz, IBEW 48, Former U.S. Congressmen Brian Baird and Don Bonker, State Representative Sharon Wylie, Vancouver Port Commissioner Don Orange

**Joe
Kent**

(Prefers Republican Party)

Elected Experience

I am not a career politician; I am a warrior. For over twenty years, I fought for our nation in the most challenging conditions as Green Beret and led troops into battle.

Other Professional Experience

I currently work as a project manager for a small technology company. Before joining the Army, I was a Boy Scout summer camp instructor, a lifeguard, and mowed lawns.

Education

Norwich University B.S. Strategic Studies and Defense Analysis, U.S. Army Special Forces Qualification Course, Eagle Scout.

Community Service

I deliver meals to veterans in need and volunteer at my church. I have trained and provided security services to churches and Synagogues.

Statement

I served for over twenty years in our nation's Special Forces and as a foreign policy advisor to President Trump. I'm endorsed by President Trump, Loren Culp, Lars Larson, and Gen. Michael Flynn.

My priorities are: fighting inflation by ending wasteful 'omnibus' spending and restoring energy independence; investigating the 2020 general election, election integrity laws and impeaching Biden and Harris immediately. Standing up for the right to life and the 2nd Amendment; securing our border and ending illegal immigration; and enacting an America First economic agenda that will restore our local manufacturing and timber industries and create good-paying jobs.

Like many of you, I've voted for Jaime Herrera Beutler before, but her betrayal of our conservative values compelled me to run against her. She voted with the Democrats to impeach President Trump, halt construction of the border wall, give 1.5 billion in taxpayer dollars to Planned Parenthood, and enact "Red Flag" laws that take away 2nd Amendment rights.

Here in the district, she's done nothing while mills, factories, and veteran clinics are shut down, and she's failed to address the I-5 Bridge Project and the sea lion problem that is devastating our fish stocks. Inflation is robbing our families of 9% of their take-home pay. Jaime caused that by voting for Biden's trillions in omnibus spending and, most recently, to send \$53 billion of your money to Ukraine.

I have been personally affected by Jaime's eagerness to keep U.S. troops in unnecessary foreign conflicts. My wife, Senior Chief Petty Officer Shannon Kent, was killed by a terrorist in Syria one month after President Trump tried to withdraw our troops from that conflict. Jaime voted to block that withdrawal.

Unlike Jaime, I will always put America and Americans first. I would be honored to have your vote.

Statement

I'm proud of being recognized as one of the Representatives in Congress most committed to bringing people together, even working with people with whom I disagree. But too many people in our area are suffering because Mitch McConnell and Donald Trump believe that blocking progress may help them win elections.

My priority is helping folks in our community. People in our area are being squeezed by inflation. I've voted to crack down on price gouging by oil companies and lower gas prices. I helped write legislation to reduce dependence on China and boost manufacturing in America, which would reduce inflation. I voted to make prescription drugs more affordable and expand Social Security to provide relief from rising prices. I voted to protect a woman's right to choose and prevent any state from putting a woman or her doctor in prison. I voted to prevent voter suppression and protect voting rights. Unfortunately, McConnell is blocking all of those things from becoming law. No wonder folks are frustrated that Washington DC isn't doing enough to help people in our Washington.

I'm running for Congress to stand up for reform – to reduce the role of big money in politics, ban members of Congress from buying stocks, and stop Members from being paid if they don't do their jobs and pass a budget.

I'm running to get government working again for people – to clean up Puget Sound, expand Social Security, lower the cost of housing and reduce homelessness, keep our neighborhoods safe for everyone by funding police, and support local small businesses. I'll fight back against McConnell and Trump so we can make progress.

I grew up on the Olympic Peninsula, the son of two teachers. I'm committed to helping people in our area who are struggling. I ask for your vote.

Community Service

Statement

My candidacy isn't about me. It's about America and Americans, Washington and Washingtonians--people like you and me who live here, and love it here.

Most of us sense America's headed the wrong direction. Crime and homelessness are surging. Public safety's threatened. Businesses are suffering. Inflation is the highest in 40 years. We all feel pain at the grocery store and gas pump. Biden's administration isn't *solving* the problem--it *is* the problem. Congress isn't doing its job.

2022 is pivotal. I'm fighting for this District, to defend what we all love: Strong Families, Strong Communities, Strong Country. That means: Restoring public safety by supporting our police and military; Rebuilding our economy by lowering taxes and debt; Eradicating homelessness; Protecting America's sovereignty and our workers' livelihoods; Preserving Constitutional freedoms; and Reclaiming parental authority over their children's education.

I'm not a career politician and never intended to be. I was asked to run, for what others saw in me: commonsense leadership with a moral compass, combined with a skillset and professional background that delivers what's needed *now*: a gift for sizing up problems, communicating effectively, and engaging productively to *get things done right*, and *get the right things done*.

The Democrats' agenda is corrosive from within. It's rewarded destructive behaviors, and spawned crushing debt. House Democrats are off course, and our current Representative votes in lockstep with the worst of them, as if we were Seattle. (We're not). The House has been rife with dirty tricks, but it stops *now*.

I'm a Mom on a Mission to Clean Up The House in D.C. As the only endorsed Republican candidate in this race, (having earned the unprecedented early endorsement of the Washington State *and* County Republican Parties, current and former legislators, community, military, and law enforcement leaders), I ask for your vote.

Statement

As your current Secretary of State, my top priority is to ensure our elections are secure and accessible to every eligible voter. I am proud of my career in public service working alongside Democrats, Republicans, and Independents advocating for all Washingtonians.

Statement

Polarization has eroded trust in our government. The Secretary of State has the critical job of running trustworthy elections, as well as providing public records access, business registry, and library services. This demands experience. Partisanship has no place in the Secretary of State's office.

I've been Pierce County's nonpartisan Auditor for 12 years, leading a nationally recognized, award-winning office that has increased voter access, enhanced election security, and improved auditing procedures. I've provided oversight and statewide leadership in elections, increased access to public records, and streamlined business licensing. I hold national and state certifications in election administration and am a certified public records officer.

I've worked closely with counties throughout the state. Together, we've created a national reputation for excellence. That's how I've earned the trust and endorsement of more than 30 Democratic, Republican, and Independent election administrators and County Auditors throughout Washington State.

My experience and leadership managing hundreds of elections in Washington's second largest county has prepared me to serve as your Secretary of State. I will protect our democratic republic by making our elections more secure, transparent, and accessible. I ask for your vote.

Statement

Our state is on the wrong track. And the Seattle politicians that run the legislature, are choosing to make it worse. They handcuffed law enforcement when crime was skyrocketing. They voted for a huge increase in gas prices, on top of the inflation we're already suffering from. Obviously, I voted "no."

Our government has a few critical jobs and we're failing to do them. Our education outcomes are woefully behind and our roads are failing. Government must focus on the basics – its constitutional mandate – and stop trying to do everything poorly.

Statement

I am honored to serve Division II of the Court of Appeals representing the six counties of District 2. As a life-long resident of the District, I know these counties of Puget Sound, the Coast, and the Olympic Peninsula to be the most beautiful of our State.

And with my 10 years of judicial experience (and nearly 30 years of legal experience), I understand many of the difficulties that bring individuals into contact with the courts, as well as the many challenges we face in doing the hard work to improve our justice system overall.

With these in mind, I will always strive to decide cases fairly, in accordance with the law, with my colleagues.

I ask for your vote and the opportunity to continue to serve you on the Court of Appeals.

Your county receives your ballot

Deposit your ballot in an official drop box by 8 p.m. on November 8, Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked by Election Day! Don't let a late postmark disqualify your ballot. The USPS recommends that you mail it back at least one week before Election Day.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

2

Your signature is verified

Your signature is important and we need it to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure **only one** ballot is counted for you.

3

Envelopes and sleeves are separated

The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4

Your ballot is reviewed and scanned

The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

5

Your ballot is counted

After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted. Every county conducts a post-election audit.
